Summer patrols seem to be going well. I have heard several positive comments from the officers who appreciate our presence and help on these nights.

If you have any questions or concerns as we move forward with these scheduled patrols during the summer, let me or another member of the leadership know.

Be aware that **from June 10 to July 5, 2011**, I will be out of range for any communication. My wife and I will be exploring Europe. Its going to be tough sampling the wine and the beer while partaking of the regional foods. Somehow I feel we will persevere...

During this time frame Reserve Sgt. Sterling will be the ranking officer in charge of the reserve unit. He will be your go to guy for all questions or issues that arise. If you have questions about patrols, ride alongs, or events during this time email or call him.

As you are doing patrols, don't forget to pick up all your equipment, sign in on the log sheet, take the patrol bag, the first aid bag, and the patrol log clipboard with the forms. Place the

Reserve Police magnets on the vehicle your patrolling with. Call into Dispatch that your in service. And be sure to check in with the police supervisor for any instructions. When your done patrolling, be sure to sign out and let Dispatch know your out of service. Be safe and have fun!

**Graduation Night
Welcome to our new Reserves!**

Did you know...

Heat Can Kill

If during a heat wave you or someone you observe has the following heat related symptoms call 911 immediately:

Confusion, disorientation, dizziness

Very slow breathing

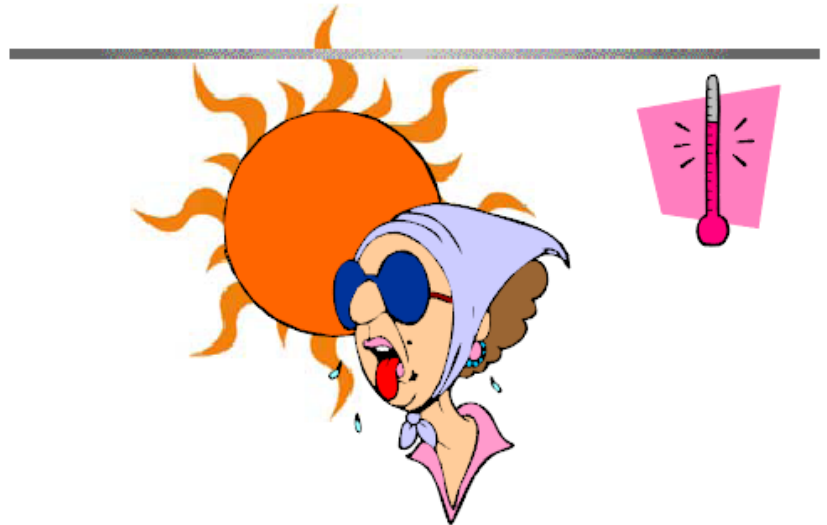

Vomiting

Headache

Fatigue

Loss of appetite

Hot and dry skin (you are not sweating)

While Reserve Capt. Moses is unavailable from June 10th to July 5th, 2011, Reserve Sgt. Sterling will be the ranking officer in charge of the reserve unit.

Trivia...

How far away is the Thunderstorm?

- Count the number of seconds between a flash of lightning and the next clap of thunder.
- Divide this number by 5 to determine the distance to the lightning in miles.
