Happy Birthday 2

Better Know... 2

Hey all. Just wanted to let you know, Elizabeth Wheeler, Human Resource Director, has posted the Reserve position on the City Web site as well as in the Northfield News. Because I wanted to get this process going, it only open for a short time. It closes on Wednesday, October 21. So if you know someone that is interested and would be a good addition to our organization, please get them to apply. Applications can be found on the City Web site under Human Resources (HR) and employment opportunities. Applications could also be picked up from HR at City Hall. We will review applications on the 22nd and HR will call people on the 23rd to set up interviews on Saturday, October 31 (Halloween, Hope we don't get a fright or frighten any one.) Usually start in the morning and run till we are through. Length of time depends on how many interviews we have. I would like to get people on before our November meeting. (I know, don't laugh). We will talk more about it at our meeting on the 19th.

More info sent 3 days ago...

The next event where your assistance is greatly needed is Saturday, November 7, 2009 for the State High School Cross Country meet. As many of you know, St. Olaf has been the host for this event for a number of years. There are a lot of people that come to town for this event and there is a lot of traffic. You will be helping give directions and assist with traffic and parking details. St. Olaf usually feeds you at about Noon.

We need at least Five people for this event. You are needed from 8:00 a.m. until about 4:00 p.m. I would say be at the safety center by 7:30 a.m. so you can be in place by 8:00. St. Olaf will give you assignments and a briefing. We will also talk about this on the 19th, so look at your calendars and make plans to help out.
