

Reserve Meeting October 19, 2009
Opened at 7:00 pm with Pledge
Kai took roll call

Upcoming Events:

Sgt. Murphy reminded everyone that the November 7th State Cross Country Meet at St. Olaf is just around the corner. We need a minimum of five people, but six would be better.

Be at the 'cop shop' at 0730. Event goes from 0800 – 1600.
So far we have Brent, Tony, Steve, and possibly Kai.

Christmas Event December 3 - 6 at St. Olaf will require all of us to help out. All days are equally important. Plan on serving and signing up by the next meeting.

Hiring new Reserves:

As of our meeting there were two days left in the application process. Application acceptance closed the 21st

On the 22nd Sgt. Murphy will know how many have applied.

Interviews are scheduled for the 31st of this month. Once Sgt. Murphy knows how many are applying he will approach the leadership first to fill interviewer position, than the rest of us if needed.

Handouts reviewed at the meeting:

Prisoner Transportation Issues Policy# 7-609
Police Reserve Prisoner Transport Policy #7-611

We reviewed the policies and had demonstrations on prisoner searches, handcuffing techniques, and preparing transport squad, placing of prisoners in the squad, and hand off procedures.

By attending the training and review held at this meeting, reserves who were present fulfilled the requirement to successfully complete the transport training program prior to conducting transports with the permission of the on-duty sergeant or designee.

FYI:

The Deputy Chief is looking into training opportunities for our group in the future.

Sgt. Murphy may review squad video recording at a future meeting.

November 1st change into long sleeves for the uniform shirt.

Junior will be stepping down as Captain at the end of the year. He plans on going to school for a major as a Renewable Energy Engineer in Oregon.
